Book Study- pick out a book that everyone can learn and grow together with

Grill group- do you love to grill? Talk about it with other people who do too!

Craft group- do you enjoy making crafts? Teach other people how to or enjoy doing crafts with others online.

Cricut Group- do you cricut, cricut with other cricuters!

Sports group- talk about who's better Michael Jordan or LeBron! Share golf tips, talk about your favorite football stats.....

Fitness group- share fitness tips or check in with people that need encouragement to keep going

Healthy Eating accountability group- Create a space for other people to share their fav smoothie recipes and healthy recipes.

Comedian group- practice your stand-up comedy with your group and let other people practice too

Public Speaking group- not great at public speaking or want to get better with other people who aren't good at it either. Practice together!

The list could go on and on, but you get the idea! Do something you enjoy doing and invite others to do it with you! The most important thing you do is make sure you make space to pray! Pray for each other!
